

## **Net 2000 Ltd. Privacy Policy**

This privacy policy sets out how Net 2000 Ltd. uses and protects any information that you give Net 2000 Ltd. when you use this web site, evaluate or purchase our software products.

Net 2000 Ltd. is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified, then you can be assured that it will only be used in accordance with this privacy statement.

Net 2000 Ltd. may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes.

### **What we collect**

When you visit this web site, our web server automatically collects a limited amount of standard information. This information includes:

- the page from which you arrived,
- the date and time of your page request,
- the IP address your computer is using to receive information,
- the type and version of your browser, and
- the name and size of the file you request.

This information helps us to assess our information services and is used only for this purpose. This information is not used to identify individuals who come to the web site. None of this information is disclosed to other public bodies or individuals.

We may also collect the following information if you submit an evaluation or purchase request for one of our software products:

- name and job title,
- company or organizational affiliation,
- contact information including email address,
- geographic information such as addresses and post code,

### **What we do with the information we gather**

We require this information to understand your needs and provide you with a better service, and in particular for the following reasons:

- Internal record keeping.
- We may use the information to improve our products and services.
- We may periodically send a promotional email about new products, special offers or other information which we think you may find interesting using the email address which you have provided.
- We may use the information to customise the web site according to your interests.

## **Security**

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect both online and offline.

## **Where is the information stored?**

Information from you which we receive via our web sites, telephone services or other methods is stored on a computer located in the European Economic Area. This is necessary in order to process the information and to send you any information you have requested.

## **How we use cookies**

Cookies are pieces of information that a web site transfers to your hard drive to store and sometimes track information about you. Our web sites do not use cookies.

## **Links to other web sites**

Our web site may contain links to enable you to visit other web sites of interest easily. However, once you have used these links to leave our site, you should note that we do not have any control over that other web site. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the web site in question.

## **Controlling your personal information**

Net 2000 Ltd. may disclose personal information if required to do so by law or if it believes that such action is necessary to protect and defend the rights, property or personal safety of Net 2000 Ltd. and its web sites, visitors to the web sites and customers of our products and services. We may use your personal information to send you promotional information about third parties which we think you may find interesting and if you indicate that you wish this to happen.

Net 2000 Ltd. may disclose aggregate statistics about our sales, our web site visitors and customers of our products and services in order to describe our products and services to prospective partners, advertisers and other reputable third parties and for other lawful purposes, but these statistics will not include personally identifying information.

You may request details of personal information which we hold about you under the Data Protection Act 1998. A small fee may be payable. If you would like a copy of the information held on you please write to [Net2000Ltd@Net2000Ltd.com](mailto:Net2000Ltd@Net2000Ltd.com).

If you believe that any information we are holding on you is incorrect or incomplete, please write to or email us as soon as possible, at the above address. We will promptly correct any information found to be incorrect.
